Volume 15, Issue 2 & 3

APRIL – MAY – JUNE – JULY – AUGUST – SEPT. 2010

The official publication of the Pacific Northwest 5th Division of the NMRA – www.nmra.org & PNR – www.pnr.nmra.org

SUPERINTENDENT'S REPORT

The 2010 Fall Mini-Meet will be held in Lewiston, ID October 1, 2 & 3. A flyer is attached with more information. If you have a layout in the area you would like to have on the layout tours, and/or would like to do a clinic, please let either Wayne Walling or I know.

Another reminder that our PNR office managers are working to get the PNR membership lists updated with email addresses for all members. Also, double check to be sure that your address on the mailing label is correct. If it isn't, please let them know of any changes to that also. You can contact Ed & Gay Liesse at [EELiesse@aol.com](mailto:EEliesse@aol.com) to advise them of any changes. If you are willing to receive the PNR newsletter via email, let them know that too. It helps with mailing & publishing costs and you get the information a week or so sooner.

I am working on doing a visit to the Moses Lake area to view a couple of layouts. It would be nice to do this either November 6th or 13th. We would hope to arrange a car-pool from the Spokane area, Wenatchee area, and Tri-Cities area so we all got into Moses Lake around the same time, view layouts, have lunch and head home. If you have a layout in that area that you would like to show off- let me know. If we can't get it done in November, we'll try for springtime.

We will also plan some layout tours in the Spokane area this fall. I have had a couple of volunteers to open their layouts and would like a few more. Please let me know if you are interested.

Sorry this issue is a late. We have had some major changes at my place of employment and have been rearranging

personnel and I think John Decker has been out of the country.

In this issue is a ballot for voting on the by-laws. Please vote and return the ballot by September 25th.

A great place to see how other Divisions are operating is to log onto the NMRA website - NMRA.org/ and click either on our Region (Pacific Northwest) or any other region to view their websites. A lot of them have issues of their newsletters available, information on clinics and swap meets they are hosting, and a wealth of information. There is also a PNR Regional timetable showing events that are taking place in our Region. The NMRA website also has a lot of good info.

A/P judging is available for anyone interested. You can contact Phil Everett or I to get this arranged. We will also have judging available at the October Mini-Meet in Lewiston. You can find paperwork on the NMRA website so you can have it done ahead of time.

If you have any questions or comments, my email is shirley.sample@northwesternrailways.com, home phone 509-292-8332, cell # 509-991-2317, work # 1-800-366-6975 or US mail P.O. Box 314, Elk, WA 99009-0314. If you don't hear back from me in a reasonable amount of time, please try again.

Since 1992, the Missoula Model Railroad Club has been located in the Milwaukee Road Drummond Depot (right), which was relocated to the Historical Museum at Fort Missoula. A permanent layout is currently on display in the depot. The club now has a "newer" portable HO scale layout and N scale layout that they operate periodically at the depot - most notably on Railroad Day and the 4th of July. They also take it to the annual train show and swap meet at Big Sky High School. The club's membership averages about 35.

Upstairs facilities can be rented for a swap meet or mini-

meet. It will be a few months before we actually start on the railroad. In the mean time we will be preparing the facility for the layout. Give us a call if you are in town and would like to visit the new digs.

The club continues to have regular operating sessions on the modular layout on the 1st Friday of the month at Parkade Hobbies in downtown Kennewick.
